WALL MOUNT BRACKET
FOR 6-WAY MULTI-UNIT CHARGER
For six-way multi-unit charger. Design allows an audio accessory to remain attached to the radio while charging (e.g. RSM).
The bracket can also hold and secure the external power supply behind the installed charger hence concealing it and providing a neat installation (no dangling cable).

REMOTE SPEAKER MICROPHONES (RSM) WITH LARGE FRONT PTT

NS750 IMPRES™ Omni-Directional Remote Speaker Microphone with Large Front PTT and Side PTT

The NS750 IMPRES Remote Speaker Microphone (RSM) is built for frontline workers in tough, loud, mission critical environments. It is built with windporting microphones that cancel the mechanical effects that wind has on the microphone. With additional advantage of an omnidirectional microphone is its able to capture noise from every direction.

Smart audio switching allows audio to be easily switched between the RSM audio and the secondary earpiece or headset.
